# SUPER HANG-ON

YOUR PASSPORT TO THE WORLD OF RACING ADVENTURE!

This motorcycle racing game offers the maximum in realism by utilizing the latest in simulation technology. To match your playing ability, you can select any one of the four courses ranging from beginner to expert. All of the surrounding scenery is faithfully depicted on the video screen to create an authentic atmosphere.

In addition, such innovative features as the SUPERCHARGER and VIBRATION mechanism make the SUPER HANG-ON a truly unique "body-sensing" game.

## GAME FEATURES

### ● SUPERCHARGER

SEGA's new SUPERCHARGER mode activates when a sudden expanded stretch of road opens up.

### ● VIBRATION MECHANISM

Working in perfect harmony with this mechanism simulates the vibration, thus allowing you to feel like you're riding a "real" bike.

### ● FM STEREO SOUND

To make it sound just like you're there, SUPER HANG-ON is equipped with FM stereo music that has been specially composed for the course's scenic environment.

### ● COURSE REALISM

Authentic curves, road conditions, and weather contribute to making this a truly realistic motorcycle racing simulator game.

## ★ "SUPER HANG-ON" COURSES ★

### ● AFRICAN COURSE (BEGINNER CLASS)

On the African Circuit, you race over grasslands and mountainous areas, then on to the pyramid-filled desert.

### ● ASIAN COURSE (JUNIOR CLASS)

The Asian Circuit takes you through extreme changes of scenery, from the countryside to streets filled with high-rise buildings, and on to mountains, sandy plains and seaside roads.

### ● AMERICAN COURSE (SENIOR CLASS)

The American Circuit winds through the busy streets of a large city, out to the open prairies, mountainous terrain, barren wastelands, along roads that command a commanding view of the ocean.

# HANG-ON

THE EXCITEMENT MOUNTS  
AS YOU ADD THE MILES!
